Special Consideration: Due to the enormous complexity of transportation, it is VIRTUALLY IMPOSSIBLE to honor requests. Do not assume that campers will be on the same vehicle with the same campers or driver as last summer, or even with children in the same general area. Routes may change from one year to the next and are also dependent upon the location of our Trans Counselor, if provided.

Please, tell us anything we need to know, such as:

- ☐ Do you need transportation at two different locations, such as moving to a new address during the summer?
Additional cost will apply to accommodate such a request. Contact the Camp Office.
- ☐ Do you need a specific time frame for pickup/drop-off due to your work schedule? We will try our best.
Let us know in the space provided.

PLEASE NOTE - Important Information Regarding the Use of Booster Seat or Car Seats

- * Campers assigned to a bus do not need booster seats/car seats as they are not permitted in mini-buses. Buses are equipped with seat belts.
- * Campers assigned to a 10-12 passenger transport vehicle will need a booster seat or car seat based on the following guidelines.
It is parent/guardian's responsibility to provide either a car or booster seat ... to remain in the vehicle all summer long.
 - Under age 4, up to 40 lbs., child must be in a car seat.
 - Under age 8, up to 80 lbs., child must be in a booster seat.
- * You will be notified in June as to your vehicle assignment.
